Old Business

We did not have a quorum to vote on our agenda:

1. Approval of Bylaws – minor changes were made to the terms to two years instead of one for all members except students.
2. Targeted Assistance Plan vs. Schoolwide Program - Intent to start a schoolwide Title I program. We must choose to apply SSC funds schoolwide or targeted assistance.
3. Approval of Single Plan for Student Achievement - it was reformatted according to resource code, and three minor items that had been excluded have been added.

The other agenda item requires a vote to approve minor changes to the SPSA.

It was decided that we need an emergency meeting Tuesday, June 10, 2008.

Roundtable:

There was no roundtable.

The meeting was dispersed at 6:00.
